5. Course Outline

Throughout the program several courses will be available in English from the disciplines of social sciences and humanities, e.g. history and culture of Korea. These courses will enable students to have a finer understanding of the country of Korea. Three credits are given for most of the classes. A CNU-GSP class for 3 credits meets 3 lecture hours for 15-16 weeks. Course list and course descriptions will be available in August, 2015. We also encourage regular CNU students who have proper English Language competency to participate into CNU-GSP classes so as to make them an international environment where students can share in cultural diversity.

For those who are interested in learning the Korean Language, Korean language classes will be available for program participants. Students can opt for either Intensive Korean Classes or Free Korean Classes.

Based on students' language ability, we may allow students to take regular academic courses in Korean from CNU faculties. Students may select a regular course(s) based on their major and academic interests.

6. Student Status and Transfer Credits

CNU-GSP students will be considered as international exchange students. Accordingly, students are able to take academic classes (min. 3 credits to max. 18 credits) for earning credits and grades. At the completion of the program, the Office of International Affairs, CNU will issue academics records and certificate for successful completion of the program upon the student's request. The credits earned at CNU are transferrable under the regulations of the student's home university.
